

# ST. ANTHONY SCHOOL NEWS *Jan. 17, 2018*

## *Reminders & Notices*

**Family Breakfast - deadline for orders this FRIDAY, JAN. 19.** If an effort to make sure all the students are included in the annual event, we ask that all parents order breakfast for their child(ren), even if other guests cannot come. Thanks! Need an order form or want to add to your order? Call the school office and Mrs. Dionne will gladly assist you. We need a firm number of attendees in order to ensure enough food for everyone. Please do not ask to pay for breakfast the morning of the event.

**Re-Registration:** Thank you to the many families that responded so quickly! To qualify for the discounted early registration fee, payment must be submitted with completed and signed re-registration form by **Thurs., Feb. 8<sup>th</sup>**. Please be sure to check the family data on the form for errors and omissions. It is very important that the Option C database stays current.

**Parish Tuition Support 2018-2019:** If your family received the parish subsidy this year, your name has been included in the renewal form being sent to the pastor at your parish. He will determine whether or not your family continues to meet the requirements for support. If your family includes a child currently in kindergarten, he/she will be added to the request for support for Gr. 1 next year.

If you are currently registered in a Catholic Parish, did not receive the parish rate for tuition this year and you want to be considered for the subsidy for next year, you must bring the green form (enclosed this week) to your parish. The pastor will determine if you qualify for support. Signed forms must be returned to school by **March 1<sup>st</sup>**. Please be sure to give the parishes plenty of time to process your form.

**Financial Aid Applications:** Applications for financial assistance will open on Feb. 1. More information and instructions will go home next week.

**Teacher & Staff Appreciation Day** - We want to extend our sincere thanks for all donations made to date to help us provide a special lunch for all our teachers and staff during Catholic Schools Week. We will continue to accept donations (\$3.00 per family suggested) through next week.

**After School Robotics:** NO robotics for the next 2 weeks (Monday, 1/22 and 1/29). Robotics Team will meet next on Feb. 5.

**FEBRUARY LUNCH MENUS: Enclosed - deadline, Friday, 1/26.**

## *Peeking Into...Gym Class*

Despite having several holidays and snow days on Fridays students have been busy in physical education classes this year. We started off our year focused on cooperative/team building activities and problem solving skills. Grades Pre-K-2nd grade worked on spatial awareness and loco motor movements. During the month of October students worked to improve their soccer skills. Throughout the months of November and December we completed our throwing and catching unit. Last week the kids took an imaginary camping field trip using the parachute and had a blast acting out the story! We are excited and looking forward to welcoming our new friends from St. Casimir School to our classes. After we complete our parachute unit we will be moving on to our basketball unit before starting our jump-roping unit in February!

Get Fit Kids
