HAPPY CATHOLIC SCHOOLS WEEK!

This year marks the 44th anniversary of Catholic Schools Week, established in 1974 to recognize Catholic education as a great gift to the Church and the nation. Thank you to the families that joined us for Mass for the opening of Catholic Schools Week. We hope you enjoyed the Family Breakfast. It was a great opportunity to get together to worship and celebrate as a family. We really appreciate your support of our school. We also wish to thank you again for providing the lunch for the staff yesterday. We were able to enjoy a wonderful meal from Angela's Pasta & Cheese Shop thanks to your generosity.

Prayer for Catholic Schools

*Loving Father,
Thank you for the teachers and staff who have dedicated their lives in service to St. Anthony school. Thank you for the parents who have given support and witness to the importance of Catholic education in their daily lives. Thank you for the students who work hard to further their education. Bless our school and the many people who advance our mission. May our building be a home for those who seek to grow in faith, knowledge, and service of others. May our community always support one another and welcome newcomers. Fill our minds with knowledge and wisdom and our hearts with gladness.*

Amen
