PEEKING INTO PRE-KINDERGARTEN

Pre-K has been busy getting ready for the Science Fair. We are learning about the four seasons of the year. We are doing arts and crafts, reading books and making puzzles for each season. The kids are having fun visiting the different seasons and exploring the special events of apple picking, Halloween, Thanksgiving and Christmas. In religion we have been preparing for Easter. The children have enjoyed reading Bible Stories about our Savior's life. The children are in especially in awe of Jesus' many miracles. In Math we are working on numbers 6 - 10 and numerical order. The children continue to practice writing their numbers and letters. We are all looking forward to the season of Spring!
