

Dear Parents:

We are excited to announce that our school is offering the option of purchasing your child's school supplies online through **ClassBundl** for the upcoming school year!

NEW!

With just a few clicks your supplies are ready for checkout, then shipped to your door – free! And 5% of the purchase is donated to St. Anthony School!

Each ClassBundl is created by our school specifically for each grade and corresponds to the supply list we send home. Parents can purchase pre-bundled packages, or customize their order. If there are items you already have, just delete them from the list. Know your child will need more folders or pencils? Just add more. Your final ClassBundl cost is adjusted as you customize. It is that easy!
